THE BIG PICTURE

13-Week Adult Bible Study

The Big Picture gets adults to think biblically about a series of real life issues such as tragedy, parenting, friendship, aging and death.

Included with the Leader's Guide are five separate videos, each approximately 24 minutes and is designed to "tee-up" the emotions, feelings, and concerns that many people face every day.

After your group has watched one session, they are not only ready to talk; they are ready to listen. That is why the integrated Leader's Guide is so important. Scripture references and reproducible discussion questions in a very user-friendly format are provided.

Each video lesson has at least one or two additional follow-up lessons. Therefore, you have the option of just showing the videos and using the five corresponding lessons for a five week program — or you can use all of the lessons, making *The Big Picture* a complete 13-week curriculum course.

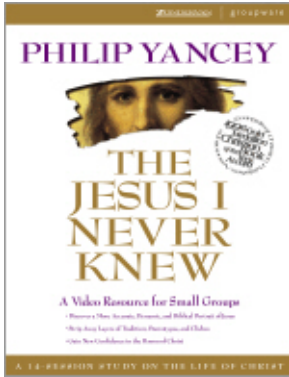

Lessons:

- 1 Knocked Down, But Not Out
- 2 What To Do When You Don't Know What To Do
- 3 Music to God's Ears
- 4 Parent Trap
- 5 Error, Parent
- 6 The Hardest Job On Earth
- 7 Dying to Know
- 8 The Light At The End Of The Tunnel
- 9 Friends
- 10 With Friends Like These
- 11 A Friend In The End
- 12 Next Stop
- 13 What's Burning?

THE JESUS I NEVER KNEW

Philip Yancey

Copyright © 1998

Synopsis

Based on Philip Yancey's 1996 Gold Medallion Book of the Year on the life of Christ, this 14-session video resource for churches, Bible studies, individuals, and groups of all sizes can help participants experience the Jesus they may never have known. The drama and immediacy of motion pictures are used to compare well- and little-known film portraits of Jesus with the Jesus of the Bible.

The kit includes 1 130-minute video with 24 film clips and introduction by Philip Yancey to each session and to each film clip; 1 participant's guide, 1 leader's guide, and one hardcover copy of *The Jesus I Never Knew* (ISBN 0-310-38570-9). 14 sessions.

Description

A literate and piercingly honest look at the teachings, person, and life of Jesus Christ, this best-selling book by Philip Yancey emerged from a groundbreaking group Bible study led by the author. Now your church or Bible study group can share the same exciting dynamics and discoveries as Yancey's group—as you too encounter the Jesus you've never known.

In 14 riveting sessions, you'll experience the insights, the impact, the energy, the challenges, and the life-changes. You'll press beyond notions and stereotypes of Jesus to obtain fresh, uncluttered perspectives on history's central figure—his radical claims, his challenging teachings, and his effect on others . . . including you. Tapping the drama and immediacy of motion pictures, the *Jesus I Never Knew* curriculum will engage you hearts, minds, emotions, and senses as you compare well-known and little-known film portraits of Jesus with the Jesus of the Bible. This remarkable program will spark discussion, interaction, application, and growth. Together, you'll share life-changing discoveries about God, the Bible, and yourselves. Best of all, you'll come face-to-face with the most compelling, creative, challenging, fearless, unpredictable, and ultimately satisfying person anyone can know: Jesus Christ.

THE PROMISE

Produced by Bill Ellwanger

Copyright.© 1996, The Friends of Israel

Beginning with the call of Abraham, *The Promise* video series (6-tapes) traces Israel's history through the centuries revealing a marvelous testimony of God's faithfulness to His promises and the reliability of His Word.

1. **Rachel Is Weeping** graphically documents Jewry's prophetic history through her multiple dispersions, torturous encounters with pogroms, expulsions, and the ultimate agony of the Holocaust.
2. **These Bones Shall Live** chronicles the surpassing drama that, while in the hearts of Jewish people for two thousand years, began to become a physical reality in the late 1800s.
3. **We Are at the Wall** will take you on an unforgettable visual excursion through the smoke and fury of the battles of the Six Day War. Stand with the battle-stained Israeli paratroopers as they celebrate at the revered Wailing Wall.
4. **The Shaken Dream** deals with the events of the 1973 Yom Kippur War. Through American intervention and the obvious providential moving of the hand of God, Israel prevailed to win a stunning victory.
5. **The Road to Peace** in the Middle East is littered with the bodies of many who have fallen to its opponents. As the tentacles of terrorism began to wrap themselves around the world in the 1970s and 1980s, some of those who died, like Anwar Sadat, were active players in the "peace process." Others, however, were simply innocent bystanders who just happened to be in the wrong place at the wrong time.
6. **The King Reigns in Zion** is a biblical look at what lies ahead for Israel and the Jewish people.

Dr. Elwood McQuaid, author and recognized authority on Israel and Bible prophecy, will walk you through the miraculous events shaping the course and destiny of the Jewish people and their nation, Israel.

Christian Living

DELIVER US FROM EVIL

Restoring the Soul in a Disintegrating Culture

A 13-Session Video Resource

Copyright © 1996

Francis Schaeffer once described America as a nation with its feet firmly planted in midair. Ravi Zacharias says things have changed since then. Today our feet are firmly planted on a field of ideas mined with explosive theories that have devastated our spiritual and emotional well-being.

The ideas that once guided us have been assaulted, discredited, and revised, leading to the unleashing of evil upon the world. As a result, the call for a moral society often seems more like a scream in the dark. This 13-part video series offers powerful ammunition for today's warfare of ideas. Ravi Zacharias shows how informed and empowered believers can change their world. With wise choices, we can contend for good, and our nation can be restored. But it is essential to understand that renewal begins in the individual human soul. We cannot hope to confront these divisive issues until we understand them in context.

Thanks to his remarkable ability to unpack and clarify complicated concepts, Ravi Zacharias unmask the illusions about secularization, pluralization, and privatization in American society. This series will help you gain timely focus and a unique clarity of vision. Guaranteed to provoke many fascinating discussions, these sessions will help open the eyes of believers and open-minded seekers alike in many remarkable ways.

Session 1

The Winds of Change

In this opening discussion Ravi Zacharias examines the parallels between Oscar Wilde's *Portrait of Dorian Gray* and our own cultural predicament as he demonstrates the risks in holding a Christian world view: (20 min.)

Session 2

The High Noon of Promise

Nations have dreams, and it is good for the people of every nation to measure those dreams against the reality with which they exist. In this session we look at the dreams we once had, where we are at present, and where we are headed if we continue on our present course. (19 min)

Session 11 *Restoring the Soul*

Examine the life of Manasseh's grandson, Josiah, how he repaired the temple, and learn how God can redeem a nation and restore the souls of the people. (24 min)

Session 12 *The Unmasking of Evil*

As we continue our investigation into the ideas that have shaped our culture, in this segment we deal with the unmasking of what we have been calling "the mystery of evil." (19 min)

Session 13 *The Ineradicable Word*

Ultimately, the claims of this world must be subjected to the authority of Scripture. While reason and intellect may aid in challenging hypocrisy and fraud, it is through His Word that God will ultimately "deliver us from evil." (18 min)

About Ravi Zacharias

Ravi Zacharias, president of Atlanta-based Ravi Zacharias International Ministries, was born in India to a family whose ancestors came from the highest caste of the Hindu priesthood. He immigrated to Canada in 1966 and studied at Trinity Evangelical Divinity School and Cambridge University.

The author of *Can Man Live Without God?*, he has addressed the issue of God's existence in many university settings, including Harvard and Princeton in the U.S. as well as several prominent universities around the world. He has lectured in more than fifty countries, and his weekly radio program "Let My people Think," is broadcast on more than 250 stations around the world. DISCIPLESHIP IS AN INSIDE JOB!

To be a disciple of Christ, you don't need to go away for special training or seclude yourself for in-depth Bible study. Being an effective disciple means being visible—someone with connections, a person other people know and trust.

Living Proof: Discipleship takes you inside a small group that is intent on following Jesus and growing as his disciples. As you participate in this 12-session small group video series on lifestyle discipleship, you'll explore with them what it means to be Christ's disciple in our contemporary culture and

how to use your inside connections to help others grow in the same way.

As you grow and change, people around you will notice. They'll ask questions. And they'll listen to your answers because you're one of them. That's what discipleship is all about: being living proof that the grace of God exists and is at work in your life.

Get the most out of the **Living Proof: Discipleship** video curriculum with the **Leader's Guide** and **Participant's Guide**.

It's carefully designed to help you get a clear focus on every lesson. Plenty of Scriptures, notes, charts, and photographs help to bring home important concepts. This guide will help you dig into the basic truths of lifestyle discipleship and will act as a springboard for lively discussions with others. Each session includes:

- ✓ Optional mini-Bible study
- ✓ Warm-up questions (10-20 min.)
- ✓ Prayer time (5-10 min.)
- ✓ Video segment (15 min.)
- ✓ Take-home action projects discussion questions

THE SONG OF SOLOMON

A study of love, sex, marriage and romance by Tommy Nelson

Copyright © 1995

Love, sex, marriage, and romance can serve as the ultimate Jekyll and Hyde of life. On one hand, they give us great joy and satisfy the deepest desires and needs, but such desires can also turn on us and plunge our lives into the deepest of pain. Has God given us these desires, drives, and needs, and yet failed to give us any guidance through what can be such treacherous ground! I think not. He has given us the Song of Solomon. As you study this book with me, may you be blessed, enlightened, and directed by the good Word of God, the Great Designer of life and all of its delights and joys.

Tommy Nelson is the Pastor of Denton Bible Church, teacher of the METRO Bible Study, Dallas, Texas, National Platform speaker for the Fellowship of Christian Athletes, Campus Crusade for Christ and other national ministry organizations.

This study consists of 12 thirty minute sessions which address the art of attraction, dating, courtship, intimacy, conflict, romance, and commitment. Episodes:

Episode 1 - How to Really Love Your Child

In this hectic performance-oriented world, many children feel that love has become a reward. This perception has been devastating to millions of children who feel they can never measure up. This video clearly demonstrates that unconditional love is the very cornerstone for successful parenting. Parents will learn how to convey unconditional love all the time.

Episode 2 - The Key To Discipline

Parents will discover that having a relationship with their kids is more important than rules. They will also learn the five most effective ways to break the defiant behavior of their children.

Episode 3 - Power Struggles

Defiance and power struggles can leave a parent feeling helpless and frustrated. Instead of asking, "how can I correct this behavior?" parents should ask, "Why is my child acting like this?" Your child may be sick, overwhelmed or in many cases, they are angry. Parents will learn to recognize the reasons for anger and discover practical ways to deal with a disobedient child.

Episode 4 - A Lasting Legacy

Good or bad, parents leave an imprint on each of their children. The question is this, "Did you just leave a bunch of rules and standards or did you share the new life you have in Christ?" Parents will discover that children must feel loved unconditionally or they may not accept their parents' moral and spiritual values. Parents will also learn three essential steps to leaving a lasting legacy.

The FEBC has purchased the rights to photocopy the student's guide for the members of your group. The student's guide is part of the leader's guide so you will only need to use the leader's guide when you lead the group. Make copies of the student's guide for each individual, and pass the notes for each session out at the beginning of the class each week.

Parents who participate will find that the experience:

- stimulates them to examine what Scripture says about constructing a solid, satisfying family;
- allows them to interact with each other on a regular basis about significant issues in their family;
- motivates them to take specific actions which have been valuable to other parents to build a stronger home;
- creates accountability to others for growth in their family;
- provides a peer group to share comfort, encouragement, and support for the role of the parent.

WHAT DADS NEED TO KNOW ABOUT FATHERING

Copyright © 1985

Dr. James Dobson discusses the many challenges that threaten meaningful life. He points out what he believes is the most important need among families today—namely, responsible fathering. “If the family survives,” Dr. Dobson states, “it will be because fathers begin to put their families at the highest level of priority and reserve something of their time, effort, and energy for leadership within their own homes.” After outlining the principles of responsible and conscientious fathering, Dr. Dobson shares his own goals for his family and how he applies them.
